

February 11, 2010

**ADDENDUM #2**

On January 15, 2010 the City requested proposals for Methane Gas Extraction (#10-10) from municipal landfills. Proposals to be received no later than 4:00 p.m., CDST, March 3, 2010.

**PLEASE NOTE:**

- (1) Please find attached PDF copy of page 2 from the DTE pipeline as-built drawings that was accidentally omitted from the Methane Gas Extraction CD.
- (2) Deadline for receipt of proposals has been rescheduled for 4:00 p.m., Wednesday, March 24, 2010.
- (3) Deadline for receipt of any questions developed from review of the information on the CD is end of the day February 17, 2010.
- (4) Responses to questions received by February 17, 2010 will be provided by addendum posted on the City's website after February 24, 2010.
- (5) Page 10, point K of the RFP document reads: Parties shall provide a sample copy of their contract agreement form. This wording makes it mandatory for the document to be provided.
