Certification

Prior to any work beginning, the owner listed below agrees to the following:

Hold the City of Birmingham, its officers, agents and employees, harmless from any and all claims made against the City of Birmingham, which arise out of any action or omission of the owner, contractor or subcontractor, or any of their officers, employees or agents, and any and all claims which result from any condition arising out of, created or maintained by the owner, contractor or subcontractor or any of their officers, employees or agents.

That no work, including clearing and/or earthwork shall be performed without first installing all temporary erosion control measures, as shown on the plans, and until the applicant has requested review by the Planning, Engineering and Permits Department of the completed temporary erosion control measures.

That I have read this application and that all information contained herein is true and correct. That I agree to comply with all City ordinances and State laws regulating this construction.

I hereby certify that I have read this application and that all information contained herein is true. If any portion of this information, either intentionally or unintentionally, is false or is a misrepresentation of the material facts, the permit or process granted will be void. I further certify that if I am not the owner, I have proper authorization from the owner to act as representative on his/her behalf and that I may be required to provide written documentation of such authorization to the City of Birmingham.
