Ticket No. _____

ATTENTION: ALL HANDICAPPED DRIVERS

It is your responsibility to place your hanging placard in plain view when you leave your vehicle in a parking space.

Under certain conditions, we will dismiss a handicap parking ticket if you provide us with four items:

- a. The original defendant's ticket
- b. A *photocopy* of the hanging placard
- c. A *photocopy* of the Department of Revenue receipt documenting the date you purchased the placard.
- d. A filled out copy of the "Handicapped Parking Ticket Request for Voiding" form.

We will grant this dismissal privilege one time only.

If you are driving for a handicapped person, they must possess an up-to-date receipt and display their hanging placard when in your vehicle.

If it is determined that you are not handicapped or do not have an up-to-date receipt, the fine is \$100.00. Attempts to defraud could result in charges being brought against you.

If your handicap tag is outdated, you have the right to protest the ticket by signing a protest bond at Window #1 to arrange for a new court date so you can plead your case before a hearing officer.
